How to Order by Mail

Our Free Delivery Offer

OUR FREE DELIVERY OFFER. Under the following conditions we pay freight or express charges (we reserve the right to send either way) on orders taken from this catalogue and sent to us by mail—not including furniture, baby buggies, curtain poles, curtain stretchers, muslins, mattresses, window shades, toys, trunks, goods sold at sale prices or made to order. When these are included with general orders, we will allow as much toward prepayment as order is entitled to. Owing to their very heavy weight, exclusive orders for hotel or common crokery will not be entitled to the full benefit of this offer, but we will allow as much as possible toward prepayment in such instances.

Orders amounting to not less than $5.00, we will deliver free to nearest express office or freight office to destination, within 100 miles of Portland.

Orders amounting to not less than $10.00 we will deliver free to nearest express or freight office within 200 miles of Portland, or pay one-half charges to any express office or freight depot in Oregon or Washington.

Orders amounting to not less than $15.00, we will pay one-half the charges to any express office or railroad station in Oregon, Washington, Idaho, Montana or Northern California.

Orders amounting to not less than $20.00, we will deliver free to any express office or freight depot within 300 miles of Portland.

Orders amounting to not less than $25.00, we will deliver free to any express office or freight depot in Oregon or Washington.

Orders amounting to not less than $30.00, we will deliver free to any railroad station in Idaho, Montana, Oregon, Washington or Northern California.

Orders amounting to not less than $40.00, we will deliver free to any railroad station in Oregon, Washington, Montana, Idaho, Nevada, Utah, California or Colorado.

Orders filled same day they are received unless we are obliged to go out and buy goods to fill. Write your complaints, sample requests and other communications on sheet other than order, to insure prompt attention.

When sending for samples, state color and price desired.

Invoices and Balances

The invoice or bill will generally follow the goods within two days. Sometimes, when the amount is small and the account is balanced, we do not send the bill.

About C. O. D.'s

We do not prepay Express Charges on C. O. D. Packages.

In all cases, to receive benefit of prepaid offer, remittances covering full amount of order must accompany same, either by Postoffice or Express Money Order, Registered Letter or Bank Draft on Portland. Sums of less than One Dollar may be sent in stamps. We reserve the right to send goods (under this offer) either by freight or express. By doing this, we must surely convince you that you cannot buy goods elsewhere at the same low prices and enjoy the advantages we offer.

Have Your Packages Insured

Why run the risk of losing your parcels in the mail, when for a small sum you can have delivery guaranteed? We will insure your packages, when so instructed, for 5c for each package of $5.00 or under in value; 10c for packages valued at from $5.00 to $10.00, and 5c for each additional $5.00 in value or fraction thereof. If you want your package insured, be sure to write "insure" on your order, and enclose the insurance fee in addition to the postage. In case of loss you will be reimbursed therefor, or the articles may be duplicated. Prompt notification is necessary to secure adjustments.

Important Instructions in Regard to Ordering

Persons living at a "Prepaid" Express Station must enclose money for transportation.

FREE BOAT DELIVERY. We will deliver free of any expense, any order amounting to $5.00 or over, to your boat landing, provided it is not more than 100 miles from Portland. Astoria, Fort Stevens, Fort Canby and Ilwaco are included in this special offer.

WHEN YOU ORDER, write plainly your name, postoffice, county and state; also state how you wish goods sent, whether by open mail, insured mail, registered mail, express, freight or boat. If to be sent by mail, always enclose enough additional to pay for postage (the merchandise rate is 1 cent per ounce). This will save delay or omissions. Kindly use our order blanks if you have them; if you have none, please ask for them; we gladly send them free.

Where your town is known by two names, give both the railroad name and postoffice name.

If you order goods by express or freight, be sure to always name the express or freight station to which you wish them sent. If it is a "prepay" station, remit enough extra with the order to cover charges, unless your order comes within the limits of our free delivery offer.

SIGN YOUR NAME PLAINLY. We experience a great deal of trouble in names that are not signed plainly; also names being signed differently on different occasions. For instance: Mrs. Mary Brown, of Pendleton, Or., sends in her order; she will sign her name Mrs. Mary Brown. The next time she sends an order she will give the name of her husband, Mrs. George M. Brown. The next time she will change her name to Mary C. Brown. We will then have her name in our index three or four times, which means we will send her three or four catalogues, etc. We kindly ask our customers to always make the same signature, so as to facilitate matters.

"SPECIAL SALE" GOODS. Will fill mail orders for goods on special sale at the advertised prices whenever received in time s to do so. We, however, do not prepay transportation charges on such goods, no matter how great the amount.

CLUB ORDERS. Many of our regular patrons make a practice of sending with their own orders the orders of friends or rs, thereby securing the benefits of our free delivery offer, or reducing the cost of transportation to each by dividing it. If to keep your orders separate, write them on separate sheets, and we will pack separately, but ship together. You will ience no difficulty in selecting your own goods from the shipment.

T CHARGE ACCOUNTS. We do an extremely large credit business, and are at all times pleased to open accounts with rties. It greatly facilitates matters when ordering goods by mail in most cases, and if one wishes to open an account an correspond with us, giving us all information and references that can be had at the time of making the request. ccount with us, do not ask for your first order to be charged and sent unless you give us good references. It is al- e arrangements for your account first, or if you are in a hurry for your goods, send cash with order, since otherwise d to hold the order while we are making investigations.

D MONEY. Please remit by express money order, postoffice money order, bank draft, or if none of these methods istered mail. Small amounts can be sent in stamps. **IT IS UNSAFE TO SEND CURRENCY OR COIN IN A EGISTERED.**

"Willamette" Sewing Machines

10 YEARS GUARANTEE

We cannot prepay freight or e xpress charges on this Machine.

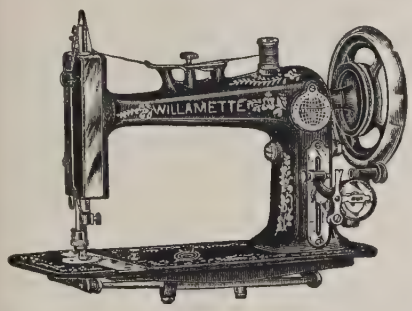
FULL SET OF ATTACHMENTS such as Ruf-Tucker, five Hemmers, one Binder, one Braider, Gearing Plate Guide and Quilter, Oil Can, Bobbins, Screw Driver, Thread Cutter and Needles furnished with each $15 Machine.

AN AUTOMATIC BOBBIN WINDER is furnished with this Machine, which spools the thread on the bobbins very evenly, thus enabling the operator to have properly wound bobbins, without exercising any other care than to place the bobbin in the winder and then operate the winder by the action of the stand treadle. There is a cut-off or release on the hand wheel of the Machine, so that the bobbins can be wound without running the working parts of the Machine, thus enabling the operator to stop in the middle of a seam any time and wind the bobbin without the necessity of taking the goods out from under the presser foot or breaking the upper thread.

ALL IMPORTANT BEARINGS are carefully ground and hardened, and with proper care will last as long as the corresponding bearings in any Machine made.

THE FEED is double, extending on both sides of the needle, and is positive in its action; that is, it does not depend on a spring or some other yielding device to operate it, but it will lift to its full stroke every time a stitch is made, regardless of the class of work that is being done or the kind of goods handled.

THE WILLAMETTE HEAD.



THE WILLAMETTE HEAD or machine part proper is finely finished in black enamel, first rubbed down by hand, then beautifully decorated in an elaborate design worked out in gold and bright colors. This is then covered with a hard transparent finish, baked at a high temperature which produces a surface that will resist wear for years. All of the working parts, such as levers, screws, plates, etc., are highly polished and nickel plated.

Under View of Willamette Head.

Intending purchasers of sewing machines should not confuse our
